

A safe beach depends on you

NEW REGULATIONS FOR BEACH USE

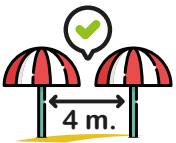

Use the official access paths and always walk on the right

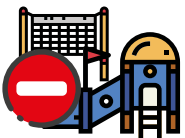

Follow the recommendations of beach monitors and life guards

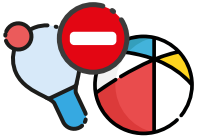

Keep at least 2 m. away from other beach users

Ensure a safety distance of 4 m. between parasols

The use of children's play areas and sports facilities is prohibited

Beach games are not permitted (balls, beach tennis, etc.)

Always use footwear when using walkways and footbaths

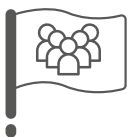

Do not leave rubbish on the beach; put it in the bins provided

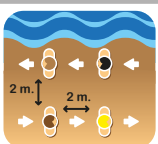

One person only at a time in toilets, changing rooms and footbath facilities

We recommend you spend a maximum of 4 hours on the beach

This flag means the beach is full and access is not allowed

When walking on the shore, keep to the right at a distance of 2 m. from other people

If you feel unwell, stay at home

The beach facilities and equipment are cleaned and disinfected constantly to ensure the optimum state of cleanliness and hygiene.

There are beach maps in the display cabinets along the beach showing what facilities and services are available.
